February 7, 2000 LB 74, 992A, 1135, 1170, 1190, 1196, 1199

disposed of in the same manner as misdemeanors or something along that line, but I think he said he's willing to hold off on that until we get to Select. All that I want to do at this point is bring the definition in the statute in line with the definition given by the Nebraska Supreme Court. The committee amendment does it in a softer, gentler method. It simply puts a period after the word "felony" and strikes the erroneous language that suggests that an infraction is a civil offense. The Nebraska Supreme Court, looking at this definition, said, no, it's not a civil offense. So I'm in favor of the committee amendment and obviously I'm in favor of the bill.

SENATOR CUDABACK: One minute. Thank you, Senator Chambers. Mr. Clerk, items for the record?

CLERK: Mr. President, Government Committee reports LB 1196, LB 1206, LB 1365 to General File; LB 1135, LB 1170, LB 1190, LB 1288, LB 1410 to General File with amendments; and LB 1199, indefinitely postponed. New A bill, Mr. President. (Read LB 992A by title for the first time.)

That's all that I have, Mr. President. (Legislative Journal pages 571-573.)

SENATOR CUDABACK: Thank you, Mr. Clerk. Speaker Kristensen.

SPEAKER KRISTENSEN: Thank you, Mr. President, members of the Legislature. I'm going to make a motion to adjourn. Before I do, just remind you this morning we're going to try this, that there are...some of the committees, the two-day committees, are going to have Exec Sessions this morning and try to do some of their work and get them some time to process bills. So we'll do...we'll adjourn this morning at 11:00 and also Wednesday morning, and then Wednesday will be for the three-day committees. With that, I would move that we adjourn until tomorrow morning at 9:00 a.m.

SENATOR CUDABACK: You've heard the motion. All in favor of the
